UIPM 2024 PENTATHLON WORLD CUP ANKARA: BRYSON (GBR) POWERS INTO WOMEN'S FINAL

After a dramatic day of Semi-final action, **Kerenza Bryson** of **Great Britain** took a commanding lead into the Women's Final at UIPM 2024 Pentathlon World Cup Ankara.

Bryson (GBR), the 2023 world bronze medallist, will start on Super Saturday with a 20-point advantage after a superb return of 27 victories and eight defeats in the Fencing Ranking Round.

Her nearest rival on the start line will be **Alessandra Frezza** of **Italy**, who scored 23V/12D, followed by **Uliana Batashova** (AIN), who returned to the sport with a competitive 22V/13D.

All three of the leading fencers qualified comfortably from their Semi-finals, the first of which saw the downfall of three of the sport's biggest names.

Rio 2016 Olympic silver medallist **Elodie Clouvel** of **France** had started the Semi-final A Laser Run in the lead position, but she lost a huge amount of time due to an apparent technical issue with her laser pistol, and finished a distant 17th with only the top nine qualifying for the Final.

Surprisingly, local favourite **Iike Ozyuksel** of **Türkiye** also crashed out with an uncharacteristically poor Laser Run, 15th overall, while two-time Olympic medallist **Laura Asadauskaite** of **Lithuania** fell three places short of the top nine.

Taking their place at the front of the field were the day's top overall performers with 1,078 points – Frezza (ITA), Batashova (AIN) and Pentathlon World Cup Cairo silver medallist **Sunwoo Kim** of **Korea**.

In Semi-final B, all nine qualifiers crossed the line together with 1,068 and 1,069 points after an excellent run by two-time world champion **Anastasiya Prokopenko** (AIN) settled the debate. At the end of a tense race, the veteran left **Rebecca Langrehr** of **Germany** and **Mariana Arceo** of **Mexico** in her wake with a decisive final shoot.

Pentathlon World Cup Ankara continues tomorrow (April 19) with the Men's Semi-finals, followed by the Finals on April 20 and the Mixed Relay on April 21.

Live stream of the Semi-finals and Finals is available on UIPM TV and all competition results are available at the UIPM website.
