

INVITATION

For the International German Masters Championships in Modern Pentathlon and Tetrathlon from July 10th – 12th in Halle/Saale

Halle, February 5, 2015

Dear friends,

We cordially would like to invite you to the International German Championships 2015 in Modern Pentathlon and Tetrathlon. This time to Halle, located in the middle of Germany. 50 years ago this region hosted its last international competition in Modern Pentathlon: the Juniors World Championships 1965 in Leipzig. Now we would like to revive a long tradition. Here in Halle we have excellent competition preconditions and we are able to organize capable horses for the riding event. In addition to the individual competition and to really make worth the efforts of your long journey we will offer to you a team event and a relay event for mixed teams and men teams. Provided that sufficient teams will apply for these competitions.

Especially the relay competition on Sunday we would like to entrust you for participation. Please register in sufficient numbers if ever possible. For the first time we will conduct this competition in laser combined mode. Laser equipment will be provided by UIPM. For most of you this will be a premiere. In addition an excellent opportunity, to get familiar with this new technology and to gather valuable experiences.

For the week before the competition we additionally can offer to you training possibilities in Halle for riding, fencing and shooting (in case, some athletes plan to arrive earlier). If interested, please directly get in touch with Beate Schenkel.

We are looking forward to a wonderful meeting and to see you all again in Halle.

With kind regards
